Simplified Experience for Users	Reduced Costs for Agencies	Enhanced Security for Everyone
OH/ID provides users with a seamless digital experience by allowing them to easily access and navigate state and agency websites from any device with one set of logon credentials.	State agencies that implement OH D save time, money, and effort through operational efficiencies, 24 x 7 technical support, repeatable frameworks, accelerators and built-in compliance with federal and state information security standards, policies and regulations.	OHJID adheres to best practice security and privacy regulations as defined by the National Institute of Standards and Technology (NIST). These security controls are built into the InnovateOhio Platform so that on-boarded agencies are automatically compliant. Agencies and their users can rest assured that their digital identities are kept safe and secure.
